for Commercial, Industrial, and
Residential Contractors

**NIPPON
SANSO**

Nippon Sanso Matheson provides gases, equipment, and services to commercial, industrial, and residential contractors.

Green Building • Construction Project Management • General Management

Our customers include those involved in construction of buildings and pipelines, HVAC, related metal fabrication, equipment repair, and infrastructure maintenance. Our 90+ years of experience in industrial gas applications and equipment makes Nippon Sanso an ideal provider for your gas, equipment, and services requirements.

Gases

Nippon Sanso Matheson is your straight-from-the-source choice for industrial gas supply - no matter your location.

Nippon Sanso Matheson Delivers:

- Welding, cutting, heating, and shielding gases
 - Industrial gases such as nitrogen, carbon dioxide, oxygen, argon, acetylene, propane, temp heat and temp propane, propylene, pressurization gases
 - BTU monitoring gases
 - A full range of cylinder sizes
 - Cylinder cradles (6 and 12 packs)
 - Larger containers: on-site small bulk and bulk supply
- We can handle virtually any size or volume requirement.

Welding and Cutting Applications

In most construction project settings, welding and cutting play a role - sometimes a large role - in the success and efficiency of the operation.

For applications ranging from piece work to high volume production to equipment repair, you depend upon timely and reliable supply of gases, tools, and supplies to remain on-schedule and on budget.

Nippon Sanso Matheson Delivers:

- Certified shielding gas mixtures meeting AWS specifications
- Breathing air, confined space equipment
- Welding supplies: wire, rods, holders, electrodes
- Welding equipment: welders, power supplies, torches, regulators
- Welding apparel: goggles, helmets, gloves, jackets, blankets
- Cutting and grinding tools and supplies
- General industrial tools, saws, and drills

Welding Equipment Repair

Nippon Sanso Matheson is your experienced partner for sales, support, and repair of welders, power supplies, and associated gas handling equipment.

Nippon Sanso Matheson Delivers:

- Authorized repair for major manufacturers such as Miller, Lincoln, Thermal Dynamics, Hypertherm, Esab and many more
- Welding machine meter calibration and certification

Safety Equipment and Supplies

A safe work environment is no accident.

Nippon Sanso Matheson Delivers:

- An extensive line of safety equipment from world class manufacturers
- Everything from basic personal protection equipment to gas monitors to first aid to emergency response

Forklift and Jobsite Vehicle Fuel

If your worksite vehicle fleet is fueled by propane, **Nippon Sanso Matheson** can supply the fuel to keep your fleet in motion.

Nippon Sanso Matheson Delivers:

- 33 pound and 43 pound packaged propane cylinders
- Bulk propane for on-site fueling
- Other size packages for special requirements

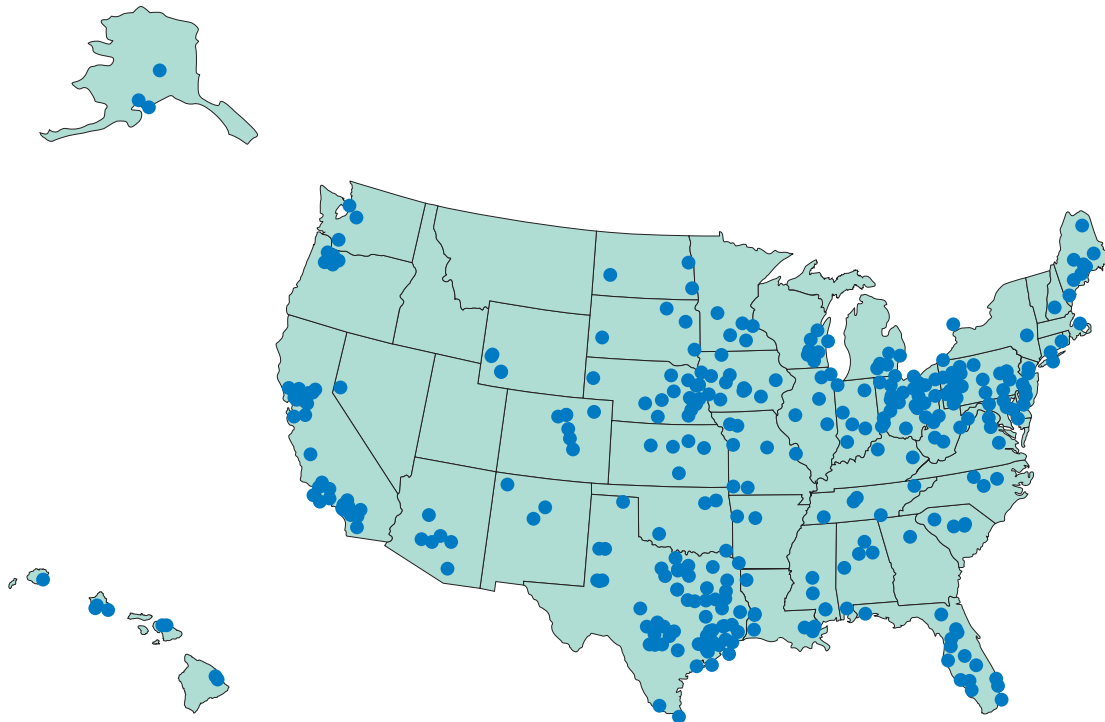

Building America

Nippon Sanso Matheson was founded in North Bergen, New Jersey over 90 years ago. Today we have over 300 locations in the US; over 170 of them are retail operations. Every one of us at each location is proud to support the working professionals that help build America every day.

Nippon Sanso Matheson Delivers:

- Over 300 locations in the U.S.
- Friendly, expert staff
- Full range of products to meet all your needs
