

Nippon Sanso Matheson Delivers:

Gases, Equipment, and Services for the Oil and Gas Exploration and Production, Mid-Stream and Transmission Industries

**NIPPON
SANSO**

Nippon Sanso Matheson provides gases, equipment, and services to the pipeline, midstream and transmission industries, from end-to-end:

Exploration • Extraction • Processing • Transportation (Pipeline, Tank, Truck)

Our customers include those involved in oil and gas exploration and production, pipeline construction and welding, related metal fabrication, fracking equipment repair, and storage vessel and truck maintenance.

Our direct experience in these areas, combined with our experience in related areas such as power generation and construction, makes **Nippon Sanso Matheson** an ideal provider for your gas, equipment, and services requirements.

Gases

Nippon Sanso Matheson is your straight-from-the-source choice for industrial gas supply - no matter your location.

Nippon Sanso Matheson Delivers:

- Welding, cutting, heating, and shielding gases
- Industrial gases such as nitrogen, carbon dioxide, oxygen, argon, acetylene, propane, temp heat and temp propane, propylene, pressurization gases
- BTU monitoring gases
- A full range of cylinder sizes
- Cylinder cradles (6 and 12 packs)
- Larger containers: on-site small bulk and bulk supply

We can handle virtually any size or volume requirement.

Cylinders

Multipacks

Liquid Cylinders

Microbulk

Propane Tanks

Onsite & Pipeline Plants

Welding and Cutting Applications

From exploration through to delivery, mechanical fabrication plays an important role in the oil and gas industry.

For applications ranging from pipeline and vessel construction to equipment repair, you depend upon timely and reliable supply of gases, tools, and supplies to remain on-schedule and on budget.

Nippon Sanso Matheson Delivers:

- Certified shielding gas mixtures meeting AWS specifications
- Breathing air, confined space equipment
- Welding supplies: wire, rods, holders, electrodes
- Welding equipment: welders, power supplies, torches, regulators
- Welding apparel: goggles, helmets, gloves, jackets, blankets
- Cutting and grinding tools and supplies
- General industrial tools, saws, and drills

Welding Equipment Repair

Nippon Sanso Matheson is your experienced partner for sales, support, and repair of welders, power supplies, and associated gas handling equipment.

Nippon Sanso Matheson Delivers:

- Authorized repair for major manufacturers such as Miller, Lincoln, Thermal Dynamics, Hypertherm, Esab and many more
- Welding machine meter calibration and certification

Safety Equipment and Supplies

Asafe work environment is no accident.

Nippon Sanso Matheson Delivers:

- An extensive line of safety equipment from world class manufacturers
- Everything from basic personal protection equipment to gas monitors to first aid to emergency response

Forklift and Jobsite Vehicle Fuel

If your worksite vehicle fleet is fueled by propane, **Nippon Sanso Matheson** can supply the fuel to keep your fleet in motion.

Nippon Sanso Matheson Delivers:

- 33 pound and 43 pound packaged propane cylinders
- Bulk propane for on-site fueling
- Other size packages for special requirements

Nitrogen Pumping Services

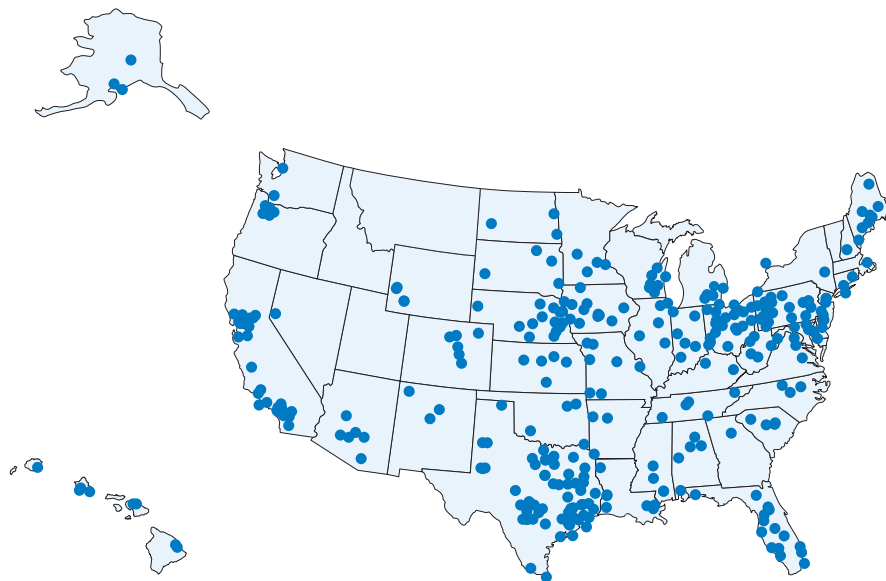

Nippon Sanso Matheson's nitrogen pumping services help oil and gas companies sustain safe and productive work environments, getting the job done safely and on budget.

Nippon Sanso Matheson Delivers:

- Pumping units, capable of handling up to 1 MMscf per hour and pressures of 15,000 psi.
- Space-saving units custom fit to each project
- Skid, truck or trailer mounted
- Bulk mobile transports ranging in size from 4,000 to 7,000 gallons

Ask about our onsite supply provisioning and access to gas pumping services.
